Alarm Monitoring

All new accounts receive 3 months free monitoring.

Fire Alarm Monitoring:
\$35.00/Month

Security System Monitoring:
\$25.00/Month

Fire & Security Monitoring:
\$45.00/Month

If payments are paid annually in advance you only pay for eleven months, the twelfth month being free.

Contracts can be written for terms of one to five years.

Fire Alarm System Certification

To comply with the required NFPA code as well as the State, City & Local codes, your fire detection system must be tested and inspected each year. Regular maintenance, inspection and testing of fire protection systems is essential to ensure functionality, property protection and life safety.

Let us quote your next Fire Alarm system certification.

Online access to your NFPA report information.

No job too large or too small.
